6

## ● Department of Research Promotion

This department plays a role --

- 1) Promoting industry-academia collaboration through collecting and analyzing research information of respective clusters
- 2) Enhancing both inter- and trans-disciplinary researches among clusters
- 3) Sustainably and continuously searching for the plan and scheme beyond the future SDGs

7

## ● Institute Organization

Organization for all researchers attacking present and future social problems in Asia and Oceania

## ● Department of Education Planning

This department plays a role --

- 1) Planning and managing collaborative education of Kyushu University with JICA (Japan International Cooperation Agency) and foreign universities
- 2) Involving as many as young researchers, government officials, and even non-academic members into Q-AOS activities
- 3) Fully utilizing the research achievements of Clusters or Modules in Q-AOS, for education
